

VIKAS CHAURASIYA

Aspiring Data Scientist | Machine Learning Enthusiast

Mumbai, Maharashtra, India | +91 9136813949 | vikas.analytics08@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Aspiring Data Scientist and Machine Learning enthusiast with hands-on experience in Python, SQL, data cleaning, exploratory data analysis, statistical analysis and data visualization. Experienced in transforming raw datasets into meaningful insights using Pandas, NumPy, Matplotlib and Seaborn. Familiar with Power BI, PostgreSQL and Excel for analytical reporting and visualization. Currently strengthening knowledge of Machine Learning, regression, classification, feature engineering and model evaluation through practical projects.

TECHNICAL SKILLS

Programming: Python, SQL

Data Science: Pandas, NumPy, Matplotlib, Seaborn, Data Cleaning, Data Preprocessing, Exploratory Data Analysis, Statistical Analysis

Machine Learning: Scikit-learn, Regression, Classification, Feature Engineering, Model Evaluation

Visualization: Power BI, Power Query, DAX, Matplotlib, Seaborn, Microsoft Excel

Database: PostgreSQL

Tools: Jupyter Notebook, Google Colab, VS Code, Git, GitHub

PROJECTS

Titanic Data Analysis

Python | Pandas | NumPy | Matplotlib | Seaborn

- Performed data cleaning and exploratory data analysis on Titanic passenger data, including handling missing values and identifying important patterns.
- Analyzed survival relationships across passenger class, gender, age, fare and embarkation using statistical summaries and visualizations.
- Created analytical visualizations using Matplotlib and Seaborn to communicate key findings from the dataset.

FIFA World Cup Data Analysis — 1930–2022

Python | Pandas | NumPy | Matplotlib | Seaborn | Power BI

- Performed an end-to-end analysis of historical FIFA World Cup data covering tournaments, matches, teams and performance records.
- Applied data cleaning, transformation and feature engineering to derive metrics such as total goals, goal difference, match results, win rate and goals per match.
- Conducted exploratory data analysis and created visualizations to identify historical team and tournament performance patterns.

Diwali Sales Analysis

Python | Pandas | NumPy | Matplotlib | Seaborn

- Cleaned and analyzed retail sales data to identify customer purchasing patterns and sales trends.
- Explored relationships across age groups, gender, occupations, product categories and regional purchasing behavior.

Music Store Sales Analysis

SQL | PostgreSQL

- Analyzed a relational music-store database using SQL joins, aggregations and filtering techniques.
- Answered business-oriented questions involving customers, genres, sales performance and revenue trends.

CERTIFICATIONS & JOB SIMULATIONS

JPMorgan Chase & Co. — Quantitative Research Job Simulation — Forage

Completed a simulated quantitative research program covering data-driven financial analysis, hypothesis testing, and forecasting techniques. Applied statistical reasoning to draw insights from market-style datasets, closely mirroring how real quant research teams evaluate risk and returns.

Deloitte — Data Analytics Job Simulation — Forage

Worked through Deloitte's simulated consulting engagement, performing data forensics on transactional records to flag irregularities. Built a data dashboard summarizing findings and presented actionable recommendations in a business-consulting format.

Tata — Generative AI Job Simulation — Forage

Explored practical, business-oriented applications of generative AI within a simulated consulting context. Evaluated use cases for AI adoption and translated technical capabilities into value propositions for a non-technical business audience.

IBM — Data Analysis with Python

Completed a structured certification covering the end-to-end data analysis workflow in Python — data wrangling, exploratory analysis, and foundational predictive modeling. Strengthened core skills in Pandas, NumPy, and model evaluation through applied exercises.

EDUCATION

B.E. in Electronics & Telecommunication Engineering <i>Shree L.R. Tiwari College of Engineering, Mumbai University</i>	2023 – 2027
Higher Secondary Certificate (HSC) <i>Maharashtra State Board</i>	2023
Secondary School Certificate (SSC) <i>Maharashtra State Board</i>	2021
